

## ABOUT ENGLISH LANGUAGE LAB –WOMEN

- **English Language Lab (ELL)** was established in 2007-08 in our college as a training platform for students to develop Communication Skills.
- **Aim :** Intensive training to students in Listening, Speaking, Reading and Writing Skills (LSRW)
- To enhance better Communication skills which is a part of Life Skills
- **Objectives:** To enhance the communication skills and Soft skills of the primary stakeholders with special focus on students hailing from the rural areas, marginalized sections of the society to be on par with their urban peer group.
- To emphasize the need of English in the job market and the technical world.
- To prepare them for interviews and future job opportunities.
- To provide students from rural areas who have no access to the advantages experienced by their urban counterparts the latest technologies and opportunities to upgrade their skills.

English Language Lab conduct training in the following areas.

1. Practice in listening skills
2. Conducting Group Discussions
3. Vocabulary Building Skills
4. Training in Interview skills
5. Role-Plays, JAM sessions, structured and unstructured conversations etc

Ever since, ELL-WOMEN stood affront as a Resource Centre for developing Communication Skills, Computer Skills and Interview Skills.
