Leadership skills Training course 08-07-2020

Conducted by JKC

Course Abstract

The concept of leadership has been employed within different context and at different levels of analysis e.g. self-leadership, small-group leadership, organizational leadership and national leadership. The primary purpose of this course is to serve as a catalyst for the students of leadership's thinking and dialogue about leaders and the process of leadership

**Course Objectives:**

To provide a framework for the students to understand the importance of Leadership and team effectiveness in organizations.

To develop an understanding of the interpersonal processes and group dynamics.

To provide a theoretical understanding of leadership practices in organizations.

To provide an understanding of factors influencing teamwork and team leadership.

To evaluate the role of leadership in the development of an institution.

**Course Learning Outcomes**

By the end of the course the student should be able to:

Explain how global leadership skills contribute to leadership effectiveness.

Understand the leader's role in team-based organizations.

Explain the potential contribution of outdoor training to the development of team leadership.

Explain the basics of leadership during a crisis.

Explain how evidenced based leadership can contribute to contingency and situational leadership.

**Summary Report**  
**Communication Skills and Personality Building 2020-21**

Department of English in collaboration with J.K.C conducted a certificate course titled "Communication skills and Personality Building". It was carried out from 16-12-2020 to 30-01-2021 in total 30days with the registration of 388 students from various disciplines. The program is aimed to enhance their eloquence and etiquette and build their personal skills as well. The program is befitted for their career building. Eventually the objective has been achieved. They were able to synthesize and compile information for oral presentation which is either for face to face or over phone. Similarly personality building enabled them to demonstrate good team work. They were also sensitized to the nuances of English sounds, word accent, intonation and rhythm. Overall it was useful for their betterment.
